

Avon Softball Club is looking to expand our 10U travel program by adding another 10U C first year team to our organization. We are looking for a dedicated coaching staff for the 2020 – 2021 season with hopes of continuing to coach beyond next season. If you would like to coach a team for ASC, please email : softball@ajaaonline.org or call/text Brad Hemmelgarn @ 317-501-4014. Ideally, we are looking for a solid coaching commitment before tryouts are held. Our soon to be 2nd year 10U C team's coaching staff is available to help guide & structure your first season.
